1-800-573-2680
Fax: (502) 573-6687

Kyle Elliott, PLS
Executive Director

LICENSE AND PERMIT RENEWALS

Our online renewal system offers a secure and user-friendly way to renew individual licenses and firm permits. Payments may be made using a credit card or check. The payment system does not retain any credit card or checking account information. The system updates your license/permit record and provides an instant receipt.

The system is advantageous both for the licensee and board staff. The licensee can renew quickly, and there is no "convenience fee" or additional charge as with most online payment systems. For the board, there is a decrease in labor costs for processing paper renewals.

We are currently sending post card renewal reminders, a month or more in advance of the renewal date and we are also implementing email renewal reminders through the General Government Cabinet with a service called GovDelivery. The online system automatically updates the individual license record or the permit record and the funds are transmitted directly to the state treasury.

For those who do not have internet access, you may call our office and we will renew your license or permit over the telephone using the online system.

The Kentucky State Board is self-supporting and receives no general fund tax dollars.
